

### Marketing Intern Job Description - 2019

HyVibe is a sound technology company launching a product for use with acoustic instruments. We are seeking a marketing intern to be apart of its experienced French and American product development team. This is an opportunity to gain marketing, design, and international business experience. You will also have the opportunity to work closely with well-known musicians and international music brands.

### Duties include:

- Assist in the development and implementation of HyVibe's marketing and public relations strategy.
- Develop and supervise creative methods for fostering an active user community.
- Attend music concerts and work with brand ambassadors for content creation and promotion.
- Develop social media content.
- Interact with customers to gain insights on user experience for further product development.

### Notes:

- Musically inclined and preferably a guitar player.
- Languages: English, French.
- Start date: ASAP.
- Experience with graphic design software (e.g. Adobe Creative Suite), film & photo editing software, Google Drive, Google Docs.
- Term: 3-6 months.

To apply, please send your CV and a brief cover letter to [jobs@hyvibe.audio](mailto:jobs@hyvibe.audio).
